

Meenakshi Medical College
Hospital and Research Institute

CENTRAL LIBRARY

Enathur, Kanchipuram – 631 552, Tamil Nadu
URL: www.mmchri.co.in/ e-mail: mlkanchi65@gmail.com
Phone No: 044 2726 1337

VISION

To meet the relevant and different demands in Medicine and Health Care education, to provide hi-tech gateway and easy access to knowledge based global information and academic resources in a variety of formats. To support the faculty and the students with regard to the process of teaching and learning process and attain the excellence in higher medical education and research.

MISSION

To support educational and research programs of the Institution by providing intellectual access to information, consistent with the present and the futuristic medical educational and research programs.

To disseminate knowledge through comprehensive collection of Books, Print Journals, E-Journals, Back Volumes, Reports, Standards, Conference Proceedings, Non-book materials useful for the faculty and the research community.

To serve as knowledge based resource centre for the students and faculty.

WORKING HOURS

Monday to Saturday

1. Study/Reference : 8.00 a.m. to 10.00 p.m.
2. Transactions : 8.00 a.m. to 6.00 p.m.
3. Own Book Reading : 8.00 a.m. to 11.00 pm.

Sundays

Reference/Internet : 9.00 a.m. to 5.00 p.m.

SPACE

The Central Library is situated in the separate building with centralized Air Conditiner facility. Ground floor (1393 Sq.mtrs.), First (1393 Sq.mtrs.) & Second floor (1393 Sq.mtrs.) with the area about 4179 **sq.mtrs.** **The seating arrangement is designed to accommodate 580 users at a time.** The reading halls are air conditioned and located in all the sections for the convenience of the users; every bay has guides and shelf locator to navigate the materials.

The Central Library has divided into various sections. They are as follows.

- Stack area
- Reading Halls
- Periodical section
- Digital Library
- Transaction section
- PG Section
- Administration
- Photocopier

Print Resources

The Library houses a large collection of reading materials such as Books, Periodicals, Back volumes, Project Reports, etc.,

Print Materials

Total No. of Books	: 20112
Text Books	: 15510
Reference Books	: 4602
Total No. of Titles	: 8323

Journals / Magazines

Total Journals subscribed	: 129
National	: 80
International	: 49

Online Resources

Proquest- E-Journals	: 1670 (Full Text)
Magazines	: 38 (Online)
E-Books	: 439
Back Volumes	: 2463
Dissertation (Project Reports)	: 371
Automation status	: Automated (AUTO LIB SOFTWARE)
No. Of Computers (Internet)	: 50

Subject wise details

SUBJECT WISE BOOKS

S.No.	Subject	Total No. of Titles	Total No. of Volumes
1.	Anaesthesia	135	291
2.	Anatomy	405	1501

Digital Resources

The MMCR Central Library has subscribing directly the following online databases.

PROQUEST: <http://www.search.proquest.com>

Proquest Medical Library online database comprised of 1670 full Text Journals with back files from 1986 onwards.

CD/DVD/Floppy/Cassettes

Books / Journals CDs - 1037

Library Membership

The Faculty, U.G & P.G students are members of Library.

Membership Type	Max. No. of Books allowed	Issue Period
UG students	3	7 days
PG students	3	7 days
Faculty	3	7 days

BIOMETRIC DEVICE

The security identification and authentication device of the biometric machine is fixed in the entrance of the central library. The students enroll is monitoring by this device whenever the students are using the library they are punch their fingerprints or facial image, use this attendance to get accurate the students entry and out time regularly.

SERVICES

The following Services are providing to the user

- Lending
- Reference
- Periodicals
- Digital Library
- Reprographic / Scanning / Printing
- Browsing
- News paper Clippings
- New arrivals Display
- Document Delivery Service
- User Orientation
- Inter Library Loan (through Library Networks & Institutional Membership)

LIBRARY NETWORKS & RESOURCE SHARING

Central Library is member of various Library Networks & Institutional Libraries to share the resources among the member Libraries.

1. DELNET (Developing Library Networks)

The prime objective of the delnet is promoting resource sharing among the libraries through the development of a network of libraries. It aims to collect, store, and disseminate information besides offering computerized services to users, to coordinate efforts for suitable collection development and also to reduce unnecessary duplication wherever possible.

AUTOMATION

All the Library operations are automated and the barcode technology is implemented. **AutoLib** Software is used, designed and developed by a team of Library & Information Science specialists, database designers, software developers and network specialists.

AutoLib software is fully integrated, versatile, user-friendly, cost-effective and multi-user Library automation software. It is WEB enabled for Intranet and Internet environments, incorporating latest IT/WEB tools and techniques and adheres to many international standards.

Technology used:

Microsoft Technology
Java Technology
Open Source Technology

Versions

Standard Edition
Advanced Edition - Multi Campus/ Location
Advanced Edition - University

Web Library- Java

Web Library - Open Source (Linux)

The software has all the operational modules such as Book accessing, transaction, administration, periodical control, Book acquisition, reporting and queries modules etc.

OPAC (Online Public Access Catalogue) has been provided to the users for searching availability of materials in the Library. It is also provided through out the campus through INTRANET.

COMPUTER RESOURCES

The Library is well equipped with High end computer and modern printers.

AUTO LIB Server
Net Server
Scanners (Document & Barcode scanners)
Printers (Laser, & online Printer)

Software

Operating Systems (Windows 2007 & XP)

Utility Software (MS Office, Excel, Pagemaker, Acrobat

Reader, win zip & acrobat primer, barcode Magic etc.)

AUTO LIB (Library Management Software)

BROWSING SECTION

The browsing section has connected to the 20 mbps leased line internet service hub. 50 systems are provided for net access to the students from 8.00 a.m. to 10.00 p.m.

REPROGRAPHIC FACILITIES

The Reprographic section has actively functioning with the higher end machine inside the Library. The users will take photocopy for their required materials at a nominal cost.

LIBRARY COMMITTEE

A Library Committee comprising of the Dean, Library Secretary, Librarian and one staff member representing each department has constituted to help in the developmental activities of the Library.

Students Library Committee comprising of a student Co-ordinator with some students members representing their problems through the committee and also they are participating in the developmental activities of the Library.

SUGGESTIONS AND COMPLAINTS

The suggestions and complaints given by the users are always welcomes; it is helpful for developmental activities of the Library. It is also much responsive to all the complaints lodged by the users about services and collections.

HUMAN RESOURCES

The Library staff members are well qualified and experienced and capable of maintaining the Library in the dynamic manner.

The Library staff members are encouraged to participate in seminars, workshops and conferences.

They are deputed for training and career development programs.

They are encouraged for higher studies and research.
